Attention Ms. Tara Savoie, President

Dear Tara,

We appreciate your patience while we've been dealing with matters related to the pandemic, but it is my pleasure to inform you that following the provisional recognition of Cheerleading Canada Inc. ("CC") by the Canadian Olympic Committee ("COC"), which was effective April 12, 2019, CC has satisfied all of the conditions and is now fully recognized as the national sport organization ("NSO") governing cheerleading in Canada.

Further, as previously communicated to you, as a COC recognized NSO, we confirm that CC will receive the following benefits from the COC:

1. Certificate of recognition, as previously circulated (enclosed);
2. Recognition on the COC Website [<https://olympic.ca/coc-recognized-organizations/>];
3. An opportunity to benefit in any programs developed for all sports by the COC; and
4. Pursuant to section 9.9 (e) of the COC By-laws, CC, as a Recognized Organization, is entitled to send a CC representative to attend a COC Session. Please note that expenses to attend a Session are not the responsibility of the COC. The next Session will be held in virtually in Spring 2021 (more details will be circulated shortly). The COC's Annual Session is generally held in the Spring of each year. There may be additional sport community meetings held from time to time that CC may also be invited to attend. If you would like to attend a Session, I ask that you kindly contact Sandra Grouette, Specialist, Legal & Member Services (sgrouette@olympic.ca), in advance.

Please note that the recognition does not provide any rights to use the Olympic rings or any COC marks. Such marks may not be used without the prior written approval of the COC.

Congratulations on your recognition. I look forward to meeting with you soon.

Sincerely,

Attention Mr. Jim Greenough, President

Dear Jim,

It is my pleasure to inform you that Cheerleading Canada Inc. (“**CC**”) has been recognized provisionally by the Canadian Olympic Committee (“**COC**”) effective April 12, 2019 as the national sport federation governing cheerleading in Canada.

Based on your application, we understand that CC is the member federation for Canada of the International Cheer Union (ICU).

The recognition will be complete if the following conditions are met by December 31, 2019:

- 1- Determination and naming of one official Provincial Sport Organization for cheerleading in the province of Manitoba;
- 2- Implementation of the following policies: anti-harassment, anti-discrimination, and whistleblower which you have indicated are in progress.

As a COC recognized federation, CC is eligible to nominate a representative who will be entitled to attend and observe the COC Session at your NSF’s own cost. The next Session will be in Vancouver in the fall.

Upon completion of the aforementioned conditions, as a COC recognized organization, we confirm that CC will receive the following benefits from the COC:

1. Certificate of recognition (enclosed);
2. Recognition on the COC Website [<https://olympic.ca/coc-recognized-organizations/>];
3. An opportunity to benefit in any programs developed for all sports by the COC in accordance with the NSF Enhancement Initiative; and

4. Pursuant to section 9.9 (e) of the COC By-laws, entitlement to send a CC representative to attend the COC Session. Please note that expenses to attend a Session are not the responsibility of the COC. The next Session will be held in Vancouver on November 16-17, 2019. Sessions are generally held in April and November each year. If you would like to attend a Session, I ask that you kindly contact Christina Huang, Specialist, Legal & Member Services (chuang@olympic.ca), in advance.

Please note that the recognition does not provide any rights to use the Olympic rings or any COC marks. Such marks may not be used without the prior written approval of the COC.

Congratulations on your recognition. I look forward to meeting with you soon.

Sincerely,
